

Kaiyukan is one of the largest aquariums in the world that reproduces the natural environment of Pacific Rim area.

Kaiyukan is based on concepts such as Ring of Fire and Ring of Life, and reproduces the natural environment of Pacific Rim area where various creatures live. Kaiyukan consists of 14 large-sized tanks. The whale sharks swimming in the central tank is one of our must-see exhibit. Sea otters, penguins and seals also entertain our visitors.
